2020 Sponsorship Opportunities

Increase your support of the Illinois Housing Council by sponsoring one of our educational and networking events. Various levels available!

IHC is going virtual! To protect the health of our attendees and staff, IHC will only host virtual events until it is deemed safe to meet in-person. While we are disappointed by the need for this change, we are grateful we are able to host so many events online. The virtual events allow us to connect with more of our members every day and provide them with valuable information and updates quickly.

We hope that your organization will sponsor one of these events and support IHC’s work.

Upcoming Events:

May 7, 10-11 am: Affordable Housing Program Updates from the Federal Home Loan Bank of Chicago

May 27, 10-11:30 am: Affordable Housing and COVID-19: A Discussion with City and State Leaders

June 18, 5-6 pm: Virtual Summer Mixer

Stay tuned for more events!
